**MISCELLANEOUS LETTER TO EXAMINER REQUESTING
PREVIOUSLY SUBMITTED IDS BE ENTERED**

Attached is a previously filed Petition/Request to enter an Information Disclosure Statement ("IDS") that was not entered into the record of the above-referenced application. After submitting the Petition/Request, the Petition's Branch orally instructed that the request be made on the Examiner of the application since the application still is in the prosecution stage.

Accordingly, the undersigned attorney-of-record respectfully requests that the IDS dated May 17, 2004 (copies attached) be considered and entered in this application. Also, since the IDS dated May 17, 2004 was timely submitted, it is believed that no fee is required. If, however, it is deemed that a fee is required, the Commissioner is hereby authorized to charge the required fee for submission of the IDS to Account No. 03-3415.

Respectfully submitted,

Mark Montague

**PETITION/REQUEST TO ENTER INFORMATION DISCLOSURE STATEMENT
SUBMITTED MAY 17, 2004 AND
NOT LISTED IN THE FILE HISTORY OF APPLICATION**

During a recent review of the Image File Wrapper of the above-identified application, the undersigned attorney of record became aware that an Information Disclosure Statement, along with a substitute for form 1449, (collectively "IDS"), mailed May 17, 2004 (received by the PTO June 1, 2004) was not in the file History. Attached are copies of the IDS and the return post card that includes the received date stamp from the U.S. Patent and Trademark Office, acknowledging receipt of same. It is respectfully requested that this IDS be made of record in this application, and that the Examiner review of the listed reference and initialize a copy of substitute from 1449.

Since this IDS was previously submitted prior to a first office action on the merits in this application, and since it appears that non-entry of this IDS into the file history was an error not caused by the applicant, it is believed that no fee is due in connection with this matter.

Respectfully submitted,

Mark Montague
